

LIGONIER MINISTRIES OFFERS SBC ATTENDEES A REASON TO STICK AROUND.

Come join some of the leading Christian thinkers at the Ligonier National Pre-Conference on June 17, immediately following the SBC Annual Meeting right here in Orlando. Albert Mohler and Ed Stetzer will join Burk Parsons and Tim Challies as they explore a biblical approach to using the internet.

Then stay for the National Conference on June 17-19 as these and other leading theologians and teachers—including R.C. Sproul—explore some of the toughest questions Christians face.

Visit www.ligonier.org/conferences for more information, or call 1 800-435-4343.

SBC attendees may attend the Ligonier National Conference for a reduced rate of \$50! Bring your Convention credentials to register at the door.
